

The Defense of Jisr Al Doreaa

Practical Exercise 5 “Build a Patrol Schedule”

In his third dream 2LT Connors sends out patrols from the out post. Developing a patrol schedule is a complicated task that requires deliberate thought. How would you have organized and deployed your patrols?

Task: Create a patrol schedule for 1st Platoon

Conditions: Given the same mission and troops that were available to 2LT Connors.

Standards: Complete a written patrol schedule with a complete troop to task matrix; include defensive positions, rest cycle, and patrols. Include a task/purpose for each patrol. Brief your composition, manning and routes for each patrol in a 24 hour period.
